My name is Phil Penticost and I am a Kali (Filipino Martial Arts) Instructor (Lakan Guro) based in south Tampa, FL. I am an instructor under Tuhon Apolo Ladra and I use the ikali system to teach Pekiti Tirsia Kali. I have been a martial arts practitioner for over 34 years and I'm excited to share this amazing art with you.

I offer Kali Seminars to Martial Arts schools.

- **This is an income generator for the school as well as some fresh exciting techniques.**
- **The school owners can then use Kali as an upgrade option as well as special events.**
- **Extra income can be generated by selling Kali sticks prior to the seminar.**

Seminars can focus on any of the following: Double Sticks, Single Stick, Knife work, Flows, Empty hand or a little bit of everything. Specific content may also be requested.

I teach everyone from beginners who have never done any Kali to experienced FMA practitioners.

I teach both kids and adults.

I also complete progress checks and promotions if desired.

Cost of Seminars: The school owner and I set the price for the seminars and charge what is the right for the location, length of the seminar etc. We split the income 50/50.

I typically book around 2-3 months out.

I would be happy to answer any questions you may have.

Call or text my cell: 941-807-7030

I do not use my phone while teaching so if I don't answer leave a voice mail or text and I'll get back to you asap.
